

Decatur Sculpture Tour (DST) Sponsorship

2020-2021 put the Decatur Sculpture Tour to the test. Lockdowns, travel bans and repeated event restrictions did not stop the 2020-2021 DST from renewing contracts with local artists featuring new sculptures while holding many previous year's exhibits from across the country. Decatur has what it takes to keep art and culture moving forward. We need your help to keep it going! This year: 2021-22 is our 10th Anniversary and we are eager to make it outstanding!

The steadfast help of amazing sponsorships has also added another permanent sculpture to Decatur's collection. Each sculpture acquisition brings renewed cultural growth and adds to the quality of life for the Decatur community. The DST sculptures bring art to life, provide economic perks to Decatur by bringing new visitors to our city, adds opportunities for educational field trips for students and adults, as well as adding to our downtown commerce. The artists' submissions for the 2021-22 tour have been reviewed and selected by the committee. With the virus becoming more contained, the **2021-2022 DST 10th anniversary year** is a go.

The planned unveiling festival: Friday, June 11, 2021 will be sure to impress the festival audience.

The sculptures are owned by the artists and loaned to the DST gallery for up to 10 months. The DST is an outdoor sculpture exhibit. The indoor sculptures are also visible from the city sidewalks. Most sculptures are for sale (or lease) to the public. Through the years many sculptures have been purchased and now grace private homes, businesses, and universities. The Decatur Sculpture Tour brochure features a thumbnail of each sculpture and its location as well as acknowledging the supporting sponsor. The brochures are available for 10 months in many Decatur locations.

In order to highlight all event level and sculpture sponsorships, we ask that your completed forms and check arrive as soon as possible. To be featured in the DST Brochure, sponsor forms must be received by APRIL 9th.
